# Strange King

by [MiaQc](#)

## Summary

A microfic and crossover. Queen Badiane meets and eliminates a strange king.

- A translation of [Étrange Roi](#) by [MiaQc](#)

I frown. My servants should have brought me other children long ago. What could possibly be holding them up? There are still plenty of empty Dream Coffins.

Suddenly, a strange male creature appears before me.

He's small, brown in color and he wears a crown. That's very peculiar.

"Who are you, you miserable worm?" I asked him.

"How dare you treat me like this?" Replied the creature in a squeaky but authoritative voice.

"I am Queen Badiane and you are in MY castle. Kneel before me and I may spare your life!"

"NEVER! I am Kiwi King of the Kiwingdom. It is you, Queen Badiane, who should show me respect! Bow your head to your sovereign!"

I laugh at his insolence. Black lightning bolts come out of my staff and strike the Kiwi King. His Highness is roasted. His corpse disappears from my sight, leaving behind a strange purple orb. I laugh louder and louder. Nobody mocks me, nobody!
